CHARMING ARROWTOWN IS A “MUST-DO” WHEN VISITING QUEENSTOWN.

Arrowtown is a quaint heritage village enveloped by beautiful mountain scenery – only 20 minutes from Queenstown.

Its standout is its famous high street. This is a lovely string of historic buildings, which opens to a tree-lined avenue sheltering one of New Zealand’s most photographed sites – a delightful row of nineteenth century miners’ cottages.

The pretty town sprang from the 1860s rush for the fabulous Arrow River’s gold. Today it is the centre of an equally fabulous network of cycling and walking trails, scenic lookouts, and golf courses.

While Arrowtown is “snapshot heaven”, it is not a gingerbread re-creation. It is a working village, alive with cafés, shops, bars, art galleries and people soaking up the feel of a special place.

A LUCKY START

It was “Maori Jack” Tewa, a shearer, who found gold in the Arrow River in 1862. But – as is the way – a pushier European, William Fox, made bigger waves, and the town started life called “Fox’s”. Fifteen hundred miners worked the river below the emerging Buckingham Street township. Many were Chinese, who built a separate village still viewable today.

As gold ran out, the town became a fading rural backwater. With no pressure to replace the old, it kept its heritage heart, so more than 70 historic sites remain. Its resurgence as a holiday place began in the 1950s, and luckily the importance of the town’s picturesque old buildings was understood.

Your visit to Arrowtown

© Martin Sliva Photography

The “must do’s” for a short visit to Arrowtown are:

- 1 The heritage town centre
- 2 The Lakes District Museum
- 3 The Arrow River walk (short)
- 4 The Chinese Village
- 5 And... fit in something else.
Gold panning? Cycling? Another coffee?

But – if you have a little more time, you may enjoy the pleasure of staying in Arrowtown itself. Accommodation options (pg 42).

1 HERITAGE TOWN CENTRE WALK (MUST DO)

Buckingham Street is memorable. Here you can browse, relax, have a coffee – enjoy its irresistible charm.

We suggest you walk the red dotted loop circuit shown on the town map (pg 28-29) from Buckingham Street round to Ramshaw Lane.

Buckingham Street is in two parts. A narrow street of old-time commercial buildings starts at Berkshire Street, and widens to the gorgeous tree lined avenue, planted in 1867, which shelters a row of quaint miners’ cottages.

There are intriguing shops and cafés – none from an international chain. Check down the alleys too. When you reach the weatherboard Postmaster’s Cottage, cross the street, and continue under the trees past the miners’ cottages.

Turn left down Merioneth Street, and left again along the Roman’s Lane walk, which returns you to Ramshaw Lane’s shops and cafés. To complete the circuit walk down to the Chinese Settlement (TOWN MAP A).

THE HISTORIC BUILDINGS.

Buckingham Street is a beautiful heritage streetscape. Among the buildings on your inner town walk are:

On this street you'll find the old butcher's shop (1872) (TOWN MAP B), and the early days general store that became our pharmacy (started 1862) (TOWN MAP 42). The stables, today a restaurant, was built in 1863 for Bendix Hallenstein, the clothing legend (TOWN MAP 24).

Also the New Orleans Hotel (rambunctious 1866, originally) (TOWN MAP 9 & 46), the Museum which was an 1875 BNZ bank collecting gold (TOWN MAP 1), the still working Post Office (1915) (TOWN MAP 31), and the Postmaster's Cottage (1907) (TOWN MAP 23). Amongst other originals are the Athenaeum Hall (TOWN MAP C), and the buildings housing Seletti, The Jade & Opal Factory (TOWN MAP 40), The Gold Nugget (TOWN MAP D), and the Night 'n Day (TOWN MAP E).

Perhaps most memorable is the charming string of miners' cottages – from 53 to 65 Buckingham St (TOWN MAP F).

Not on this loop, but nearby in St Patrick's church grounds, is Mary McKillop's cottage, from where Australasia's only saint taught Arrowtown's children in 1897 (TOWN MAP G). The 1887 Masonic Hall (TOWN MAP H) is beside the library. Dudley's Cottage (TOWN MAP I), built from 1878, is by the Chinese Settlement.

Other streets near the village centre contain churches, and old cottages with pretty gardens, many showing heritage roses – there's a map at the Museum.

CAFÉS & BARS.

Nobody visits Arrowtown without sitting down to soak up the atmosphere, while enjoying a drink or a meal.

There are around 20 cafés and bars competing to better each other with their food and atmosphere. Cuisines include modern Euro, Italian, Asian, Pub, Japanese and Thai.

Both serious foodies and pie shop patrons can go home smiling.

SHOPPING.

Buckingham Street is not simply New Zealand's most charming high street – its shopping is also very good. The clothing stores cover a range, but there's probably no better strip in the country to browse knitwear.

Another feature is jewellery. Gold is, of course, a speciality, with large nuggets on display. Don't miss the jade factory shop, even if just to wonder at some of its astonishing collector pieces. You'll also enjoy gift and knick knack shops, and speciality sweet and chocolate shops.

SHOPPING TIP: If you have time, get inside the shops and poke around. You won't feel hassled and you could find some real treasures.

2 THE MUSEUM & INFORMATION CENTRE (MUST DO)

The Lakes District Museum (TOWN MAP 1) is regarded as one of New Zealand’s best small museums. It is also Arrowtown’s information centre, and your starting point for maps, bookings, and other help.

Don’t miss the excellent downstairs exhibition of life in a goldrush town. It will surprise you. Children love it.

The bookshop’s range on New Zealand travel, culture, and history is particularly good – you’ll find something worth taking home. Keep an eye out for special exhibitions.

3 A NATURE WALK BY THE ARROW RIVER (MUST DO)

20 OR 60 MINUTE CHOICE.

Don’t leave Arrowtown without taking in its lovely surrounds. We suggest you enjoy at least part of the Arrow River walk which starts from town. Go down to the river bank, and turn right onto an easy flat track, called the Arrowtown Anniversary Walk.

Shaded by lovely sycamore, willow, and larch trees, you’ll stroll past old gold digging sites and a Lord of the Rings location.

Two choices – do the full river loop crossing the bridge. (60 minutes). Or just enjoy walking out into nature for 10 minutes, then turning to take in the totally different views as you walk back.

4 THE CHINESE SETTLEMENT (MUST DO)

Most 19th century Chinese miners were poorly welcomed expats hoping to return home with fortunes. They built their separate settlement by the river (TOWN MAP A), including – to the chagrin of European shopkeepers – their own stores.

Relationships weren’t always distant. In 1885 the *Tuapeka Times* reported: “Even Europeans, and we believe females at that, were to be seen playing ‘fan-tan’, while...the Chinese stores have been the scenes of indescribable vice.” It wasn’t dreary.

The Settlement you see today is both restored and re-created.

5 MORE "SHORT VISIT" FUN (MUST DO)

Some other memories to take home – Try gold panning. Several places will rent the gold pan and show you how. Or - hire a bike and ride an easy trail from the township. Or - drive down Millbrook Resort’s avenue of trees, enjoy its beauty, and see why it wins so many awards. Walk up Soldiers Hill (STREET MAP J) for the best town view.

Or simply sit back and enjoy Arrowtown passing by.

CHILDREN LIKE ARROWTOWN.

Children love Arrowtown. There are parks and greens, they can try gold panning, or even the skatepark (TOWN MAP K). In summer there’s an outside swimming pool (TOWN MAP L) or a paddle in the river. Dorothy Browns Cinema (TOWN MAP 53) has matinées, and they’ll be fascinated by the gold town display at the Museum. There are good icecreameries, a chocolatier, and the children, like yourselves, will stand bug-eyed in the old fashioned sweet shop.

SKI-TOWN ARROWTOWN.

During the snow season Arrowtown is the chosen winter training home for several European and American ski teams. They stay in Arrowtown for the same reasons family ski groups do. It is handy to both the Queenstown and Wanaka fields, and while quieter, has a good choice of bars and restaurants.

ARROWTOWN AT NIGHT.

Arrowtown is a fun night out. After dark it transforms into a unique and atmospheric nightscape, with specially designed lighting showing off the town’s heritage features. The restaurants, pubs and bars of main street and the alleyways and courtyards that branch off it are buzzing and you can often hear live music too.

Dorothy Browns Cinema (TOWN MAP 53) is loved by locals and visitors - it is a quirky boutique cinema where you’ll enjoy the intimate setting, a glass of wine and a cheese plate.

BUS TO ARROWTOWN.

Orbus runs a frequent service between Queenstown, Arrowtown, and Frankton. The latest timetable is at www.orc.govt.nz/public-transport/queenstown-buses or telephone 0800 ORBUSQT (672877).

Arrowtown Environment

Here in Arrowtown we're doing all we can to protect, restore and enhance the stunning landscapes that surround us. We pride ourselves on being good stewards of the environment...

The natural environment has been heavily modified by humans over hundreds of years, but now residents, businesses and landowners are working together to restore it. And they're doing it in a way that balances expanding biodiversity with retaining the features that make Arrowtown special.

The **Arrowtown Choppers** and the **Arrowtown Wilding Group** have removed thousands of exotic trees that were taking over the hillsides, and planting non-invasive species that do well in difficult locations and give a display of colour in autumn. Volunteers from the **Wakatipu Reforestation Trust** have been planting natives to create wildlife corridors that attract native birds and insects, using seedlings from their nursery at Kelvin Heights.

Predator Free Arrowtown's trapping programme aims to eradicate pest species like weasels, stoats, possums and rats. Their traplines extend high into the mountains to create a sanctuary for native creatures in and around Arrowtown.

Arrowtown is also working towards **SUC-free status**, which will mean that we send no single-use cups to landfill. Instead coffee and tea drinkers are encouraged to sit at the café, bring their own or take it away in a reusable cup. Please look for the logo in participating cafés and restaurants.

Lakes District Museum

Museum, Art gallery, bookshop, information centre. "One of the best museums I've ever been to!"

Royalburn Farm Shop

In a bid to directly connect people with where their food is grown, we have converted an old shed in Arrowtown into a farm shop where you can buy Royalburn produce straight off the farm and meet the people who have grown, raised and harvested it.

Whilst small, our shop is big at heart, celebrating what's local and in-season. It is filled to the brim with our fresh produce, meats, charcuterie, free-range eggs and other small goods. It's the perfect place to put together a beautiful meal or picnic, or pick up a culinary gift. It's here that you can also buy products such as our premium wool blankets.

We love bringing old bits of history back to life and the farm shop interior - everything from the corrugated iron walls to the timber display shelves - is made of recycled materials from the farm's past buildings and machinery, so it's a little slice of history. On the walls you will see tools, bottles and other bits and bobs found on the farm, many from the late 1800s.

GOLF CENTRAL – THREE GREAT COURSES

Arrowtown has outstanding golf. Within three minutes of Buckingham Street are three golf courses with wow-factor scenery. The famous Millbrook Resort (03 441 7000) has a beautiful 36 hole layout. It shares tournament play with its classy neighbour, The Hills, (03 409 8290), the New Zealand Open's spectacular home. The Arrowtown Golf Club (03 442 1719) is also a treasure. Its 18 holes wind trickily along an old glacier floor – a relaxed country course that, nonetheless, is rated in NZ's top 20.

CYCLING HEAVEN

Cycle trails, mountain biking, road cycling – Arrowtown, with its inspiring rides, is a cycling mecca.

The village sits at the heart of New Zealand's most popular trail – the 130 km Queenstown Trail. One of its very best stretches is beginner friendly – the easy Arrow River Bridges Trail, which starts from town and runs 16 km down the river to the Gibbston wineries and restaurants.

Try it. Arrowtown's bike hire people will fit you out, give you good advice, and tell you about guided tours too (TOWN MAP 55).

BEAUTIFUL WALKING TRAILS

Arrowtown's walking trails are famous. The village has fifteen listed walks that take in mountains, forests, lakes, and rivers, and range from an easy one hour stroll to several days outdoors. Amongst the best known is the Motatapu, which includes the route for the famed Motatapu back country marathon.

Walking and cycling maps are available at the Museum. For more info visit www.arrowtown.com/things-to-do/

PINOT WINE TRAIL

Some of New Zealand's finest pinot noir comes from our nearby Gibbston Valley wineries. Riedel, the famed glass maker, recently created a specially shaped pinot glass to showcase its quality.

The “cellar doors” are welcoming, and there are charming winery restaurants at Amisfield, Waitiri Creek, Gibbston Valley and Kinross.

Dorothy Browns Cinema, The Balcony Gin Bar & Bookstore

A one of a kind cinema experience, Dorothy Browns is famous for its friendly staff, comfy chairs and plush décor.

With a selection of local wines and cheeses to enjoy while you watch, there's no better place to catch a quirky arthouse gem or the latest blockbuster. Be sure to arrive with plenty of time to browse the cutest little bookstore too.

Follow the signs through the cinema and you'll find The Balcony Gin Bar. Stunning views onto Arrow Gorge by day, colourful lights and inviting ambience by night. And the gin cocktails are to die for.
